I Would like to Bring A Few  
MATTERS to your Attention: (PR)  
ON OR AROUND June 15TH 2017 Approx  
2:00 A.M. I WAS Riding My Bicycle  
DOWN First street in SAN JOSE C.A.  
Coming From The STORE Which WAS closed  
I WAS Riding with A BACK Red  
light ON my Bicycle, Along with  
my holding of A FLASHLIGHT which  
WAS "ON" in The FRONT. Breaking  
No LAWS. I Rode PAST A SAN JOSE  
police officer And his PARTNER in  
A BLACK And white S.U.V. vehicle.  
They MADE A UTURN And Approched  
me TO pull over, I continued

TO Ride. About A HALF block LATER  
I WAS Removed from my Bicycle.

ARound 2011 OR 2012 The Milpitas C.A.  
police put Me ON life support in  
the I.C.U. unit in valley medical  
hospital, san Jose C.A. for A Few  
days with A swelling of the BRAIN,  
collapsed lungs AND kidney failure,  
Nerve damage TO my ARMS, etc.

My Resisting ARREST charges were dropped  
IN THAT MATTER. I shouldn't have  
been suffocated, OR Beatin, OR TASED,

AFTER This specific Beating. I've Always  
RAN From The police. My Mother AND  
I called ARRound different Attorneys  
BUT came TO A DEAD end with

No help. PLEASE excuse me if my  
DATES of These incidents ARE A Little  
OFF. IM Trying my Best TO Remember.

AFTER This incident is when The Beatings  
Really Begun. Now BACK TO The FIRST  
one I WAS TALKing About ON

FIRST street. Officer Lee From The  
san Jose police Dept. TASED Me  
Twice, one IN The BACK, one IN  
The upper side of my Body.. While  
Being electricuted face down. →

he put his baton on my lower BACK left Rib like a pool stick and smacked the end of it to crack my Rib. Also while being electricuted he wacked me in the back of my head to split it open. causing numerous staples, and I WAS given A CAT SCAN. I CANT remember what hospital that was. My ATTORNEY in THAT MATTER which WAS in Judge CHAPMAN'S court, had somebody come take pictures of my Body LATER ON THAT day AFTER court. charges were dropped, when I asked to go to trial ON THAT.

I Filed A complaint ON This MATTER. via MAIL (Tort claim) Recently, OCT 15, 2017 I Believe. About Two weeks LATER somebody called my Mother and told her THAT I CANT File THrough THAT Entity. which I WAS told THAT isn't true, CANT File ON the SAN JOSE police THAT is. BUT I could ON Any other police unit They ↓

said. Anyhow, I think it WAS LAST YEAR when TWO OFFICERS APPROACHED ME WITH A WOMAN FILMING WITH HER CELL PHONE WHO I DON'T KNOW. THE TWO OFFICERS BEAT ME AT THE SAME TIME, A COUNTLESS AMOUNT OF TIMES. SHE STARTED FILMING TOWARDS THE END. OFFICERS BROKE MY WRIST (RIGHT.) MY RIGHT PINKIE FINGER, AND MY RIGHT FOREARM, AND CRACKED MY RIGHT SHIN BONE (LEG.) AND I MANAGED TO GET AWAY. AS I RAN AWAY ONE OF THE OFFICERS SWUNG REALLY HARD AT MY HEAD BUT MISSED, HITTING THE CAR PORT (POLE.) THAT VIDEO WAS PUT ON (YOUTUBE) I DON'T KNOW THE TITLE BUT IVE SEEN IT. AND IT'S ALL OVER FACEBOOK ASWELL ON MY FRIENDS PAGES. LATER ON I FOUND OUT THAT THE POLICE WERE LOOKING FOR A HISPANIC MALE INVOLVED IN A DOMESTIC DISPUTE. AND THAT I FIT THE DESCRIPTION WHICH ENDED UP IN A MISTAKEN IDENTITY. TWO WEEKS LATER I WAS AT MONTEREY R.D.

and Rhoder Ave. intersection in San Jose at a red light. Driving my, AT the time girl friends car, when unmarked vehicles (trucks) blocked me in, all four sides, I jumped out and ran. They shot a taser at my groin area and my head, I fell to the ground, officers kicked me in my head and face, while being electricuted they let the K-9 loose on me which tore up my upperback and armpit. This attached flyer is my booking photo from that incident. My current case now involve Im guessing two canines because my buttocks were ripped appart, my right arm bit open and my leg was penetrated by teeth. seems so many bites for one dog. There are a couple more incidents but these are the main ones. Ive had enough of the beating, harrasment. My body hurts. I wake up to my

head in such pain everyday  
sometimes it hurts so bad I  
Vomit. I get really dizzy.  
My Bones hurt. My Memory  
is BAD. I think I Black  
out sometimes. My Blood pressure  
is extremely high. My ARMS go  
Numb. I'm Reaching out for  
help. I can't seem to Find  
it Anywhere. My Medical Records  
will state All my injuries. My  
Attorney for my criminal case
